**Old Business:**

Lincoln & Beaver Project	We want to improve the catch basin and grade the corners.	Not done yet- King contacting Accu-Dig or a couple of other options
Kessler Family Farm	We will place new tile starting west side of field running along edge of field.	Blaney – after crops are done
Rail Road Repair	Investigate culvert on John Styck's property	King has not spoken to John yet.
Raper Rental	Repair driveway. Brian will get a bid.	Brian still working on.
Lareau House	We will connect their drain to the tile from bottom basement to Indiana. They will need to attend meeting to be notified of work to be done in their yard.	Nothing done yet must locate tile in front and back yard.
Food Pantry Project	Linda Deardurff and Paul Craft attended meeting to discuss water leaking into building during heavy rainstorms. The board did a site visit. Linda and Paul will be installing new gutters and downspouts, they agreed to meet with Yoder's to do some grading around the perimeter and will bring the estimate to the Town Hall	Bill left vm. Not much excavating left to do. Linda and Paul happy with all suggestions board gave them. Might be fall until gutters are put up.

**New Business:**

Bill asked Dan if the Serrano deposition was enough to get our insurance to pay for conservancy expenses. Thom Thompson is needing more clarification on email forwarded by King. Thom is meeting with Dan tomorrow

Brian got quotes for paving patches.

Brian to have GIS mobile app downloaded on his phone next week.

Check catch basin in elementary school alley. – King talked to Casey Ehlinger  
Board discussed that the alley is town easement. The town will fix the hole and gravel it. If the school wants it paved that will need to be done at their own expense.

The next meeting will be on October 4, 2022.
